01 Stop Killing One Another - 17:28 (acoustic)

This came to me dated 1980, but most agree that it's a JAD demo from somewhere around 1968.

Only a guess, but the song could be inspired by Neely Fuller Jr's book, *The United Independent Compensatory Code/System/Concept: A Textbook/Workbook for Thought, Speech, and/or Action for Victims of Racism/White Supremacy* (Washington 1969). part of The Code is rule nine which states *Stop Killing*, often referred to as *Stop Killing One Another*. the book had a big influence on the black movement back then and even today the 10 Basic Stops still stand. - Shared by bomba, Jan 2009
