Lucinda Williams New York 2008-10-03

Lucinda Williams  
October 4, 2008  
WAMU Theatre At Madison Square Garden  
New York, NY USA

A really clean recording of a tight performance by Lu and her band Buick 6. Big thanks to The Grape for offering me his extra ticket to the show! We were both recording from the 16th row in front of the left stacks. If Grape's version turns out to be an improvement, you may see it here soon. Also, he rolled on the opening set by Buick 6, which I did not. Perhaps we can convince him to up it.

8. I Live My Life (Fats Domino)
  9. For What It's Worth (Buffalo Springfield)
  10. It's A Long Way To The Top... (AC/DC)

Notes:

Very clean recording except for some usher yapping during Steal Your Love.
