The Show

A while ago I bought a pile of disco-dvd's on the internet.... When they arrived at my home and I watched them I almost fell off my chair: one of these dvd's contained a spectacular live concert from Boney M. from 1979!!! And what's more: the quality of the sound and image was fantastic!

Prior to this concert I had only seen two more complete shows of Boney M. performing totally live, the first one was the 1977 concert which is featured on the Fantastic Boney M. DVD, which has also fantastic image and sound, but in my opinion suffers from one major flaw: Liz' microphone was set too low and Marcia's too high, which resulted in the ruining of two beautiful songs: "Still I'm Sad" and "When I Need You". And the second Boney M. live concert I saw was the famous concert from Dublin in 1978 that contained a spectacular tracklist and performance by Boney M. but seemed to be available only in very bad copies! (luckily somebody spoiled me last year and sent me a very decent

copy of it; Thanks J.!). And then there is of course also the South African concert from the 80's with Reggie of which there are some clips to be found online.

The concert from 1979 that I found has sound and image that is very comparable to the 1977 concert from the Fantastic DVD, but actually it's even better! The girls are in top-shape and also Bobby does what he does best: dancing his ass off and growling like a mean motherf#cker!

After some examination I found out that the show originates from 1 november 1979 and was performed in Vienna (Austria). It seems that in those years the town of Vienna had an annual 1st of november festival in the "Wiener Stadt Halle" and in 1979 Boney M. was the main act. The show was recorded for Austrian television and was aired on the same day, that's where this copy comes from. (By the way: the 1977 show from the Fantastic dvd is credited to have been performed in Hamburg (Germany) but is very likely to have been recorded also at the same venue on 1 november 1977 instead)

The following songs are performed:

01. Let It All Be Music
02. Rasputin
03. Never Change Lovers In The Middle Of The Night
04. Do You Wanna Bump
05. Daddy Cool
06. Belfast
07. Sunny
08. I'm Born Again
09. El Lute
10. Gotta Go Home
11. No Woman No Cry
12. Rivers Of Babylon
13. Brown Girl In The Ring
14. Let It All Be Music

The whole concert lasts for a bit more than 1 hour and the groupmembers are wearing their Oceans Of Fantasy Outfits.
