This is a compilation of all the alternate takes and outtakes that were recorded during Goats Haed Soup sessions and are currently available through various bootlegs.

Everytime it was possible I choosed the best quality available. However because of the different sources quality may vary.

Goats Head Soup was recorded at Dynamic Sound Studios (Kingston, Jamaica) between November 25 and Dcember 21, 1972 and at Island Recording Studios (London) between May 28 and June 20, 1973.
