

# Frank Sinatra and Antonio Carlos Jobim

The Antonio Carlos Jobim Sessions

The first Sinatra / Jobim collaboration was originally released in Jan 30, 1967. There was another session with Jobim which Sinatra released as Sinatra & Co. The rhythm section consisted of Jobim on guitar and extraordinary Dom Um Romao on drums, on splendid string arrangements by Claus Ogerman.

Tracks on this bootleg appear to have finally surfaced on The Complete Reprise Recordings 20CD boxset in 1998. Some of the tracks here were recorded in 1969, in Hollywood.
