

The first sessions with producer and arranger Don Costa in 1962. Hailed by many as his best ballads album whether on Capitol or Reprise. The first CD issue came with two bonus tracks which we have not been able to identify. The current remastered CD version eliminated the two bonus tracks.

Altogether four songs were recorded but not used on the final 10-track album. They are Don't Take Your Love From Me, Pocketful Of Miracles, Name It And It's Yours and As You Desire Me.
