

THE CARPENTERS

Song To Soul: Yesterday Once More [includes commercials]

A BSi Japanese documentary broadcast on BSi program Song To Soul: One Piece of the Eternity. This documentary is about the writing and recording of the Carpenters' songs starting with Yesterday Once More. Interviews with Richard Carpenter and a visit to their hometown of Downey. Interesting comparison with Richard Chamberlain's 1963 version of Close To You. A new 2008 documentary.
