The Platinum Edition is a new extraction of the original Fireman's DAT. It has been glitch/error corrected and speed corrected (further details in the text file).

The Fireman's Tapes are produced by danlynch. The series would not have been possible without the generous contribution of music by Mike Weitzman. Hollywood Bowl would not have been possible without the taping of Rob Bertrando. The Platinum Edition would not have been possible without the contributions of Anthony Theesfeld.
