

Shawn Phillips
Rochester, NY 1972

live at The Nugget Rochester NY, April 10, 1972.

Lineage: Unknown but really great for 1972.
WCMF is still broadcasting today and this show
quality is more of a pre-FM level than most al-
though the original taper may have had great gear
- this sounds almost like a soundboard. Some tape
hiss exist although this is really good!!!!!!!

This is Shawn opening with a Sitar (yes 12 minutes
of Sitar) and a great sounding show from Roches-
ter, Panorama Plaza is about a mile from my house
but is a dump at this point in time.
